IIJ GROUP NEWS RELEASE

IIJ Global Awarded Japan New Logo Partner of the Year by Zscaler

*-- Zscaler Partner Award received for the third straight year,
in recognition of contributions to large-scale solution introduction projects --*

TOKYO – December 2, 2025 - IIJ Global Solutions Inc. ("IIJ Global"), Internet Initiative Japan Inc. ("IIJ", TSE Prime: 3774)'s 100% owned subsidiary providing SASE and other network security solutions to enterprises globally, today announced receipt of the Japan New Logo Partner of the Year award by leading cloud security corporation Zscaler Inc. This is the third straight year for IIJ Global to receive a Partner Award from Zscaler.

Zscaler Partner Awards are given to business partners who, through Zscaler's Zero Trust and AI security solutions, powerfully support customers with proposing and implementing Zero Trust security strategy, and with their digital transformation efforts.

Among these, the Japan New Logo Partner of the Year award given to IIJ Global is in recognition of its large-scale solution introduction projects in the financial, manufacturing and various other industries.

Foad Farrokhnia, Vice President, APJ Partners and Alliances at Zscaler, commented as follows: "We take great pride in collaborating with our partners to drive digital transformation, develop robust solutions, and provide the highest level of security for our customers. I am delighted to recognize IIJ Global as the recipient of the New Logo Partner of the Year, which further highlights their remarkable achievements in Japan."

Anthony Torsiello, Senior Vice President, Global Partners Ecosystem, also commented as follows: "Partners like IIJ Global are catalysts for transformation, guiding businesses throughout the complexities of today's security landscape. Their dedication to innovation and customer success exemplifies what it means to be a Zscaler Partner Awards."

IIJ Global lives up to its brand slogan "SAIZEN⁺"—a Japanese word combining the messages "Leading the Forefront" and "Guiding to the Best"—by harnessing cutting-edge technology and expertise to continuously deliver optimal solutions. Moving forward, IIJ Global remains committed to providing the value of "SAIZEN⁺" to its customers and stakeholders through its extensive lineup of network security solutions.

About IIJ Global

IIJ Global Solutions Inc. (IIJ Global) was established in September 2010 as a subsidiary of the IIJ Group following the acquisition of AT&T Japan's local Network Outsourcing service business. IIJ Global offers a comprehensive range of services including WAN Connectivity and Total Network Outsourcing, covering everything from design to management of corporate networks. Beyond serving domestic markets, IIJ Global also provides global network services and has expanded its offerings to include network security solutions tailored for enterprises, such as Secure Access Service Edge (SASE).
